stylishoes

StyliShoes is a web e-commerce platform offering a diverse range of shoes for women and men. Our online store provides a vast selection of styles, sizes, and widths to cater to various needs and preferences.

Our Product Categories

- Women's Shoes: sandals, heels, boots, sneakers, and more
- Men's Shoes: dress shoes, casual shoes, boots, sneakers, and more

With this project we offer two interfaces (admin and client). The admin can do the CRUD operations for the products on the website, while the customer can see their purchase history.
